Remarks

Space and elegance unrivaled outside Beacon Hill yet 6 minutes from Wellesley Square. A rare find, this spectacular one of kind townhome is part of the original landmark "Manor House" of Farm Hill Village. Reimagined and thoroughly renovated, a gracious example of fine period architecture with must have amenities. 10' ceilings crown spacious entertainment sized rooms. Two-story entry gallery, impressive "bridal" staircase, detailed cherry paneled library with massive book wall and coffered ceilings. Walls of windows wrap around the residence, for maximum sunlight and distant Blue Hills view. True cook's kitchen features 6-burner Wolf range, double wall ovens, Subzero, a pantry and space for your largest farm table. Summer entertaining is a breeze on the large pergola-covered patio with built-in gas grill. 2 car garage, storage and fully up to date systems. Absolutely must be seen to be fully appreciated. 3D at <https://bit.ly/3vV9iR6>
